## Series Summary

*Have you ever been afflicted and questioned by God?  
What is God saying to us in our afflictions?  
What did Job learn and what must we learn?*

These questions and more will be answered in the powerful 2-Volume, 11-Sermon Series by Rev. Garry Eriks on the Book of Job.

Throughout the book of Job, Rev. Eriks points out, as God does to Job, who are we to question God? God teaches Job that He is sovereign and in control. God asks Job many questions that he cannot answer, showing him that God is sovereign. When we question God we are like Job's three friends who were no help to him (did you know that there were four friends in the end).
